

North Carolina Congressional District 1

Housing Affordability Must Be Addressed Locally and Nationally

It's harder than ever for American families to find a home that meets their needs at a price they can afford. Policymakers at all levels of government are looking for ways to provide more affordable homeownership and rental housing opportunities. In response, the National Association of Home Builders (NAHB) is offering a [10-point plan](#) with potential policy solutions that can be implemented at the local, state and federal levels to address the root of the problem – the impediments to increasing the nation's housing supply.

Economic Snapshot of North Carolina Congressional District 1

Below you will find a brief look at economic markers, as well as district residents' responses to surveys on important housing topics.

MAY 2024

**Do you agree or disagree that there is a housing
affordability crisis where you live?**

In your opinion, should city and county officials do more to encourage the production of housing that is affordable to low- and moderate-income households?

POLLING QUESTION 4 | North Carolina Congressional District 1

Do you think your elected representative in Congress is doing enough to address housing affordability at the national level?
