

Virginia Congressional District 2

Housing Affordability Must Be Addressed Locally and Nationally

As the nation's largest and most diverse economy, Virginia is home to a wide range of industries and professions. While the state has a strong economy, it also faces significant challenges in the housing market. The high cost of housing is a major barrier to economic growth and social mobility, particularly for low-income households. This infographic highlights the economic snapshot of Virginia Congressional District 2, showing the median household income, median value of owner-occupied housing units, poverty rate, median rent, and the share of renters with rent more than 30% of income.
