

NAHB Remodeling Awards

Eligibility Requirements and Application Field Descriptions

Eligibility

Gold winning projects previously entered are not eligible to submit again for the same category. Silver winning projects may enter again if they meet the criteria for the current year's program. Websites and online links must be active and functional at the time of submission. Any home owned or occupied by a staff member of NAHB shall be disqualified. Should the need arise, the judges reserve the right to subdivide or reassign any category or create a new category as appropriate to provide fairer competition.

Project Completion Dates Projects must be completed between January 1, 2018, and October 6, 2023.

Accessory Dwelling Unit Project Entries

ADU (Accessory Dwelling Unit) Project Entries should meet the definition of an ADU as noted in the Accessory Dwelling Unit Definition document in the **Resource Section**.

Aging-in-Place Categories

When submitting a project for an aging-in-place categories refer to the Aging-in-Place Checklist in the **Resource Section**.

Site and Floor Plan Requirements for Eligible Categories

Submissions should not be longer than six pages if submitting a pdf. The file should contain all floor plans and relevant elevations representative of what you are submitting. Please include "before" plan(s), if possible.

Project Client Letters of Recommendation

Entrants may include 3 client letters of recommendation

Supporting Materials (PDF format)

Entrants may upload online reviews from 2-3 sources such as Google, Yelp, Houzz, Guild Quality, Angie's List, etc.

Digital Media/Videos

If the digital media/video file is 100 MB or less, you may use the upload video option. Note: It may take up to 1 minute for your video to upload. You can check the status bar in the bottom right corner.

If the digital media/video is greater than 100 MB, please provide a link to the digital media/video file (i.e., Dropbox, YouTube, etc.).

Photography Requirements for All Categories

Include at least six uploads that include before and after project images/photos. It is highly recommended for all categories that professional photography is submitted. Photos and images should represent the category being entered. Captions are strongly encouraged and should make note of the features and details of interest.
